

ABOUT OUR FUNCTIONS

Small's Bar is the perfect place to hold a function of any kind with a range of options to suit your needs.

We make the process simple and our functions coordinator will work with you from when you first book, right through to ensuring your function runs as smoothly as possible on the night. They will be in contact with you in the lead up to your event to confirm any details such as the food and drinks package and any special requirements.

Here are some of the details you should know about when holding a function at Small's Bar:

Your function booking is only confirmed upon acceptance of the \$5 per head pre-authorisation bond when booking through the website. For any credit card given, a pre-authorisation of the amount due will be processed to ensure the credit card details are correct. Please note that this amount is only held by your credit card company before being returned to you the day after the event. It is NOT an additional charge. Pre-authorisation will be returned unless any outstanding payments have not been made or of any loss or damage caused to the venue as part of the function or for cancellation or non-attendance within 7 days of the event. An invoice is issued to you for the function which will require full and final payment at least 14 days prior to the function. No refund will be given for non-attending guests once final confirmation and payment has been received. Any outstanding beverages and last minute changes to numbers are to be settled on the night by debit or credit card (we don't have surcharges).

Bookings of over 30 people will have exclusive use of function areas. Functions with fewer than 30 people may have to share the function areas during peak times.

Responsible service of alcohol is a legal requirement and is practiced at the venue at all times. Our drinks packages may only be provided if a food package is also purchased for your function. Beverages by the bottle can not be ordered through our drinks packages and can only be provided by the glass.

You agree to contact Small's Bar if you have any changes, updates or need to cancel your function booking. Your function will be allocated to the best available area and may be subject to changes which we will endeavour to inform you of prior to the event. Any special requests made will be catered for as best as possible. Food and drinks noted in the packages are subject to availability and may change from time to time. For functions, there will be a booking duration of 4 hours unless agreed otherwise, and you may need to vacate the designated area to make way for another booking following this duration. Your information will be used in accordance with the Now Book It Privacy Policy.

If you have any questions regarding your function booking please email functions@smalls.bar.
